

Biological Psychiatry: Global Open Science (ISSN 2667-1743) is published 4 times a year by Elsevier Inc., 230 Park Avenue, Suite 800, New York, NY 10169-0901, USA.

Customer Service (orders, claims, online): Please visit our Support Hub page <https://service.elsevier.com> for assistance.

Advertising information: Display advertising orders and queries can be sent to Adam Moorad (A.Moorad@elsevier.com). Classified advertising queries can be sent to Kenneth Naylor (K.Naylor@elsevier.com).

The publication of an advertisement in the *Journal* does not constitute on the part of the Publisher or the Society a guarantee or endorsement of the quality or value of the advertised products or services described therein or of any of the representations or the claims made by the advertisers with respect to such products or services.

Author inquiries: For inquiries relating to the submission of articles, see Guide for Authors in this issue or contact the Journal's Editorial Office. You can track your submitted article by logging in to Editorial

Manager. Please also visit <http://www.elsevier.com/trackarticle> to track accepted articles and set up e-mail alerts to inform you of when an article's status has changed, as well as obtain detailed artwork guidelines, copyright information, frequently asked questions, and more. Contact details for questions arising after acceptance of an article, especially those relating to proofs, are provided after registration of an article for publication. You are also welcome to contact Customer Support via <http://support.elsevier.com>.

Notice: Practitioners and researchers must always rely on their own experience and knowledge in evaluating and using any information, methods, compounds or experiments described herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made. To the fullest extent of the law, no responsibility is assumed by the publisher or the Society for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein.
